Bim Willow Workshop

Register now for our annual willow furniture workshop! Bim Willow will guide you through creating your very own rustic willow furniture.

Cost will be based on the type of furniture you select to build.

Workshop will last approx. 3-4 hours, and we will break at noon for lunch.

Complimentary lunches and refreshments will be provided.

All construction materials will be provided. All you need to bring is a hammer and a pair of pruners to build your furniture.

Must register and select your furniture for the workshop by Sept. 16th so we can provide enough materials for everyone.

Stop by or call the Garden Center to register and select your rustic willow furniture creation today!
